DEDICATION

The Graduating Class of 1962 is proud to dedicate this 1962 Edition of the "Lighthouse" to Mr. L.R. Burton, our former physical education instructor.

We understand that you are
needed there,
But you are also in our
memories here.
We wish you luck wherever
you may be.
As you help to mould other
young minds and careers.

With sincere devotions

THE SENIOR CLASS

1962

PRINCIPAL'S MESSAGE

GREETINGS TO THE CLASS OF 1962

My young friends of the Class of 1962; I am, as usual, happy to congratulate you upon your accomplishments made while a member of the Northampton County High School Family. You have been worthy members, and we look forward to you carrying this same characteristic with you as you leave these halls.

Today, you are entering the most perilous period in American history. At stake, are the fundamental freedoms of all peoples, but we feel that if other young Americans have the consideration, understanding, generosity, and group unity that you have; tomorrow's world will be one of peace and brotherly love for all man kind. Just as you have been interested in your school; so should you be interested in your neighbors of the world--who are being brought nearer to you each day. If civilization is to continue, a new world government must be built by you upon ideals that all peoples must be free to share fully and equally in this government.

Let me again urge you to make with care your future plans because your world will be seeking men and women who, as a result of careful planning, can produce with excellency.

Now, as you leave us; may God grant you wisdom, knowledge, and the determination that will enable you to take your rightful places along with other American citizens who are striving to make this Land, one worthy of such men and women that we trust you will be.

With best wishes,

W.H. Smith, Principal

GUIDANCE COMMITTEE

The concept of guidance has changed over the years from a narrow, restricted program assisting only those students with behavior or scholarship difficulties to a comprehensive program of service designed to help all pupils make a wholesome and realistic personal, social, vocational, and educational plans and adjustments.

Guidance is not something we do today and forget tomorrow. Guidance, like any other phase of the school program, must be "On Going." However, at particular periods in the educational life of the child, guidance needs are accentuated. For example, most pupils in any school will need help in adjusting to a new school environment, in planning a high school program, or in selecting a college. As pupils approach these critical steps in the educational ladder, it is appropriate that group guidance activities be conducted.

The Guidance Committee is attempting this type of group guidance as well as individual guidance through the following activities: Follow up studies; homeroom guidance; personal interview; student progress charts; and career day.

Members of the Committee are: STANDING: Miss G. L. Brown, Counselor; Mr. W. H. Smith, Principal; Miss F. J. Stephenson, Mr. F. W. Brickhouse. SEATED: Mrs. L. U. Kornegay, Mrs. I. J. Williams, and Mrs. A. W. Smith.

STUDENT COUNCIL

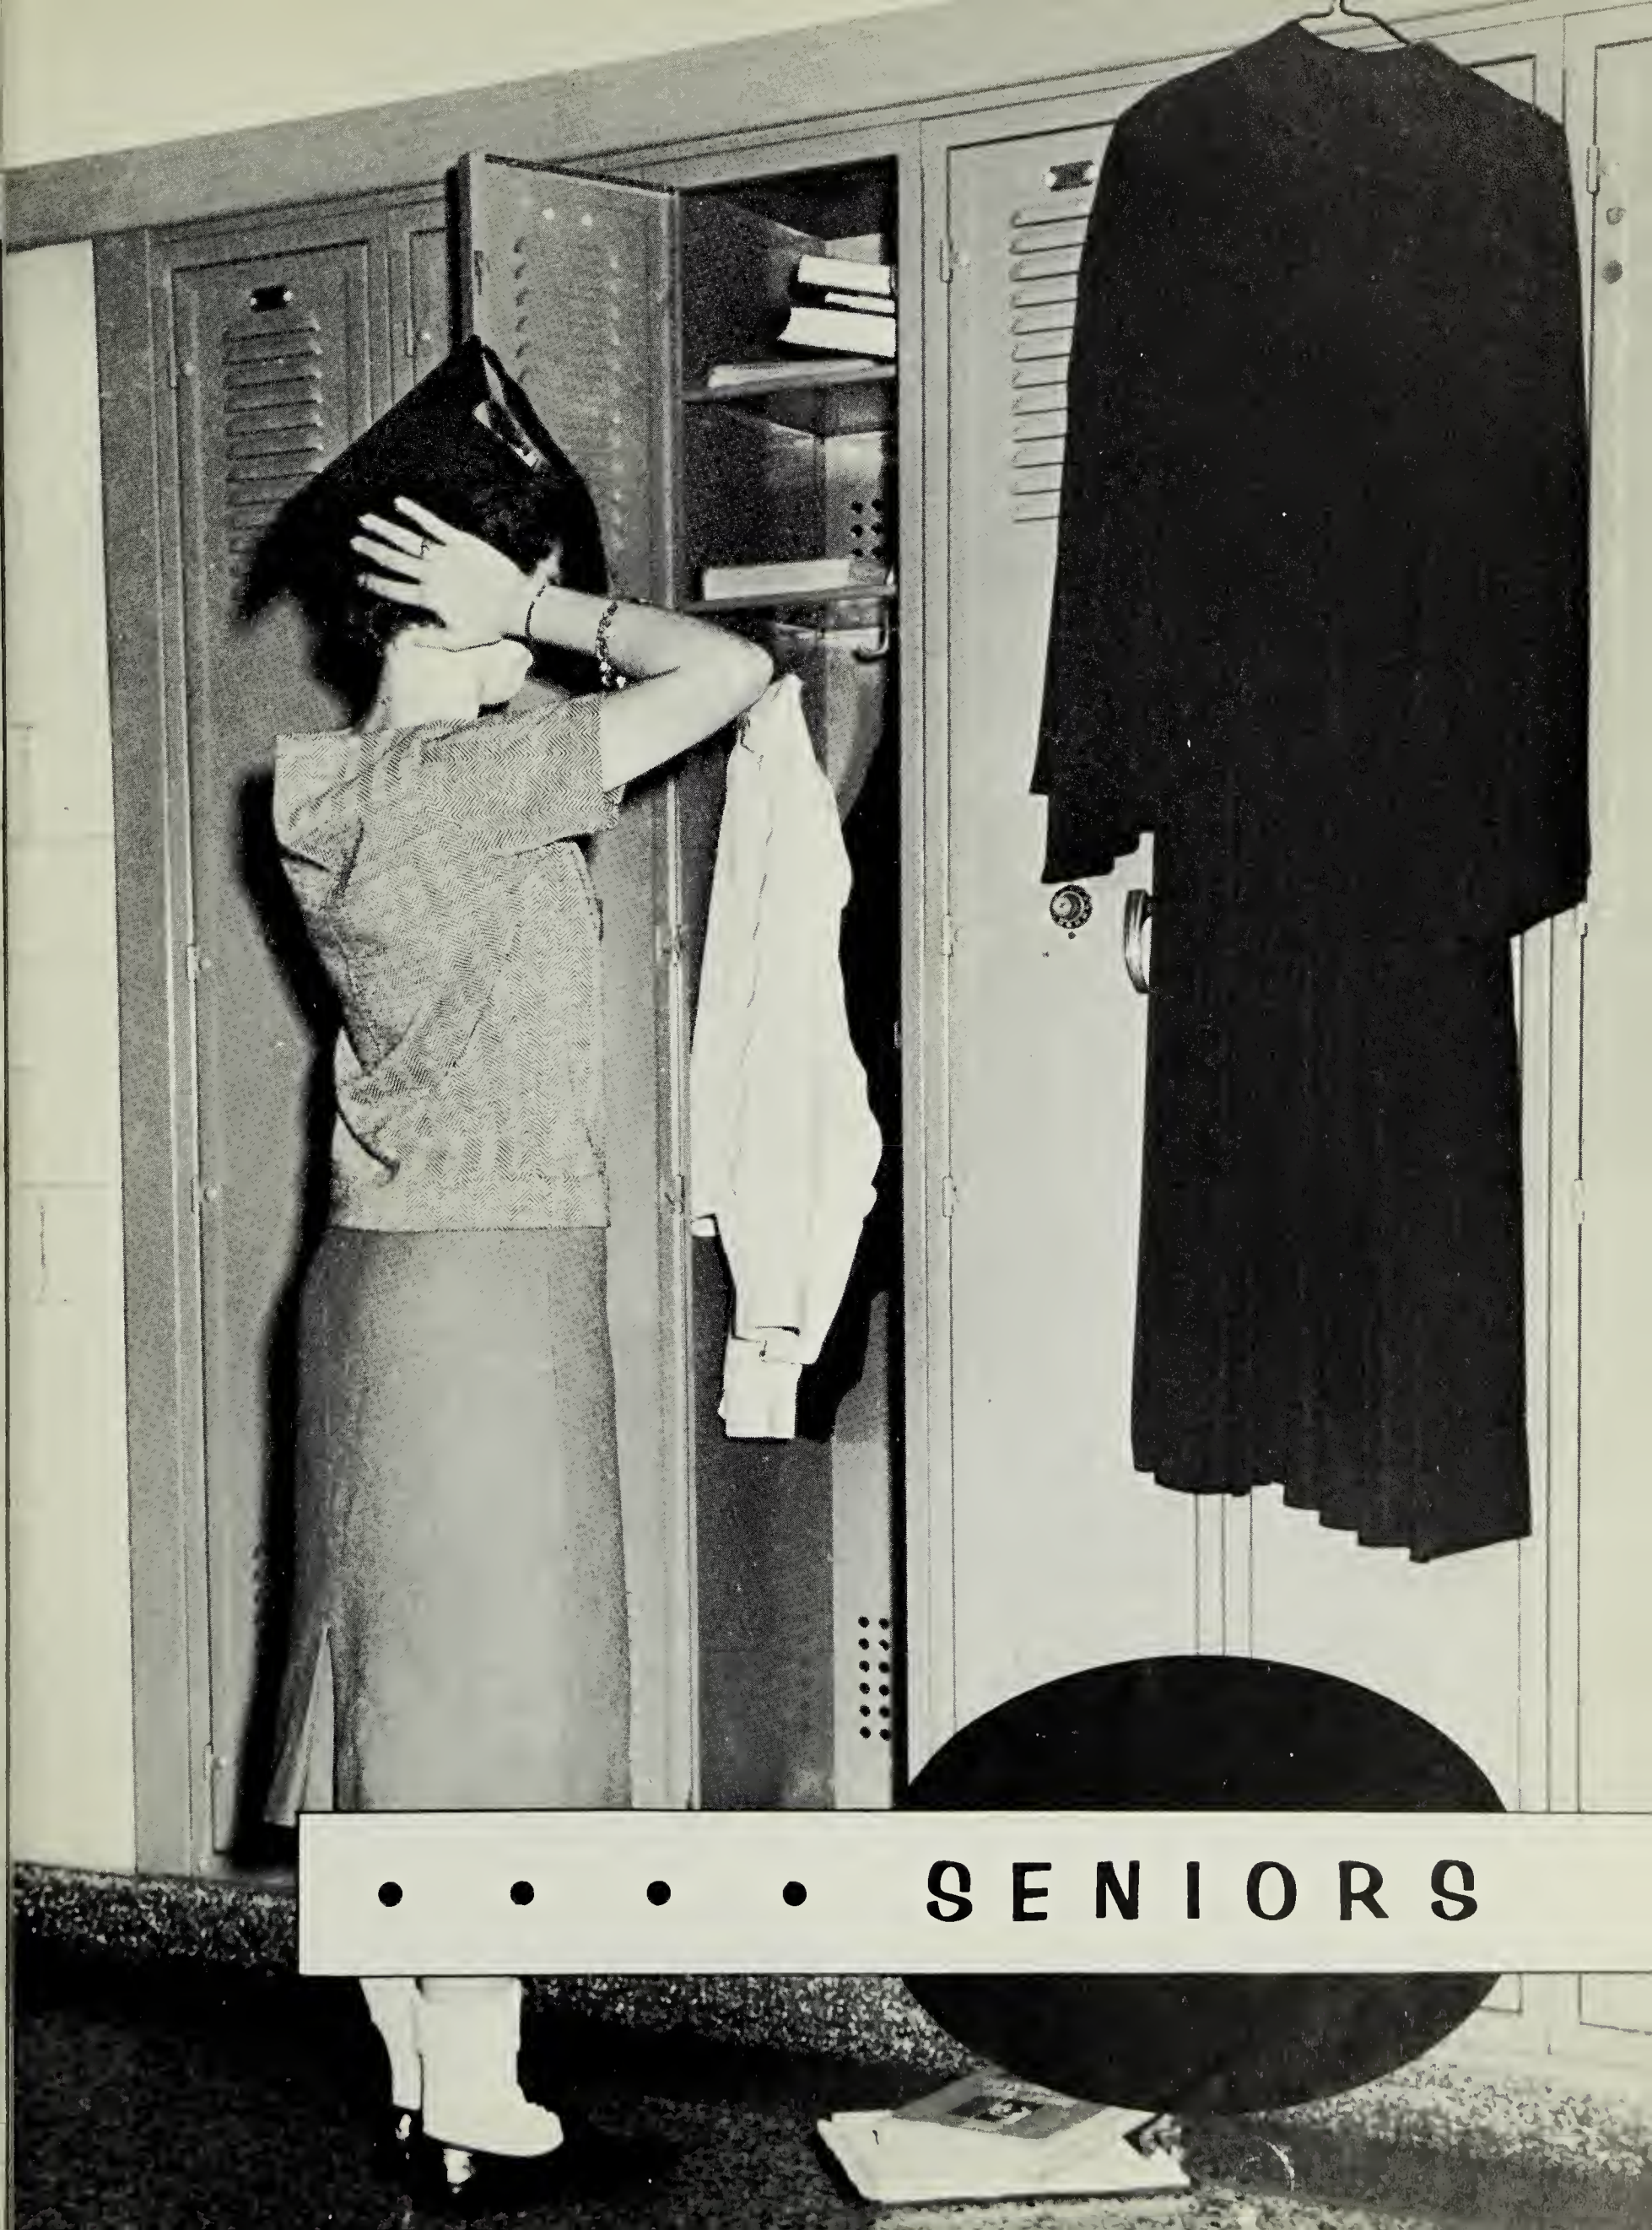

The Student Council is proud and happy to lead the Student Body through another school year. The Council's members set for their main objectives the following:

1. To attend the District Council meeting
2. To attend the State Council meeting
3. To purchase Student Council Buttons for each member
4. To encourage the student body to make a donation towards the Athletic Field Bleachers

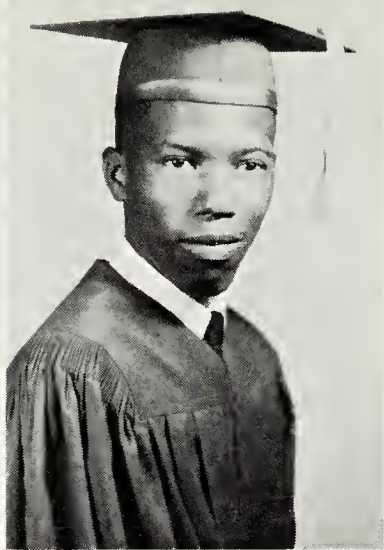

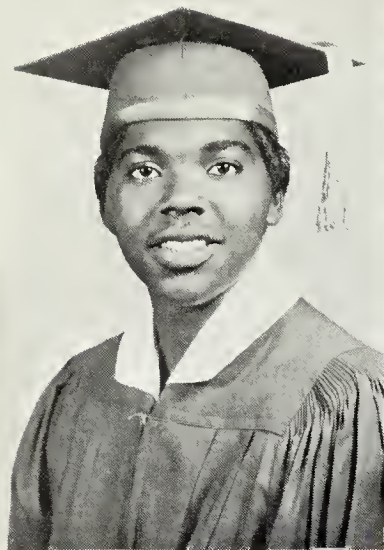

May the seniors find success here during their final year with us and in their future lives and endeavors.

Our officers are: President, Clarence Arnold; Vice-President, Carl Scarborough; Secretary, Mignon Holland; Assistant Secretary, Margaret Monroe; Treasurer, Charles Matthews; Reporter, Jeanette Johnson; Chaplain, Cora Upshur; and Advisor, Mr. Odis Kornegay.

Now is the time when we must say
Good-bye;
Your love is planted deep down
in our hearts.
Our teachers, parents and

Our accomplishments we'll
never forget.
Your patience, kindness we'll
always hold true.
Thru good days, bad days, we'll
still make it through.
We bid you all fond farewell.
